PROJECTS

Interactive Resume Website | marisapori.github.io

September 2026 - Present

Web Development Project

- Designed and developed a multi-page personal portfolio site in HTML/CSS, hosted on GitHub Pages, covering career goals, skills, and experience.
- Built a responsive layout with a custom color palette, typography, and top navigation bar for clear, consistent navigation across pages.

Course-to-Career Pipeline

July 2026 - September 2026

Personal Data Project

- Built a Python (pandas) pipeline comparing 117 FSU CCI courses to real-world job postings pulled via the Adzuna API.
- Structured the data in SQLite to analyze skill gaps and in-demand skills across course tracks.
- Built an interactive Streamlit dashboard to visualize curriculum-to-career alignment.

EMPLOYMENT HISTORY

Outreach Intern

August 2026 - Present

Information Technology Services (ITS), Florida State University | *Tallahassee, FL*

- Staffed ITS outreach booths at 6+ campus events, including Market Wednesday and New Student Orientation, engaging 300+ students on available tech resources like the Software Portal and IT Help Desk.
- Tracked student engagement at outreach events to help the Integrated Communications team identify which ITS services generated the most interest.
- Partnered with the Dean of Students Office and Student Government to secure tabling space at 3 major campus-wide events.

Psychiatrist's Office Intern

June 2023 - August 2024

Office of Dr. Priti Kothari, Child, Adolescent, and Adult Psychiatrist | *Boca Raton, FL*

- Organized patient scheduling, intake, and front-desk operations (calls, check-ins) using Excel to support efficient office workflows.
- Wrote and published mental health blog posts on the practice website to educate patients and families.

Occupational Safety and Healthcare Department Intern

March 2023

Healthcare Municipality of Montes Claros | *São Paulo, Brazil*

- Compiled and organized patient development data to support researchers' study of workers' conditions in the hospital environment.
- Participated in therapy group activities and administrative tasks to promote improved healthcare.

Code Sensei

August 2022 - September 2023

Code Ninjas | *Coral Springs, FL*

- Taught coding and problem-solving skills, including Scratch and JavaScript, to children in a supportive classroom environment.

LEADERSHIP EXPERIENCE

Vice President (WISE) & Secretary (CGS)

May 2026 - Present

WISE (Women in IT/ICT Sharing Experiences) & Connecting Girls to STEM | *Florida State University*

- Support professional development, peer mentoring, and K-12 STEM outreach workshops.

Social Media Marketing Co-Lead

January 2026 - May 2026

IT Leadership Program | *Florida State University*

- Managed three Instagram accounts, analyzing engagement metrics to boost reach and participation.
